

1 APR 1948

STAT

Your letter of 4 April 1948 addressed to the Honorable J. Edgar Hoover has been referred to this agency.

Please be assured that your interest in one of our greatest international problems is appreciated. The subject is one which would be inadvisable to discuss except within the strictest confines of official circles. However, it is a matter of serious and continuing study.

As requested, the original copy of your manuscript is returned herewith.

Sincerely yours,

RECEIVED - *Dear Sir*
